

Air Traffic Control - Hot Topics

Don't miss this exciting opportunity to meet with the KPNE Air Traffic Management Team and Controllers. At this exclusive briefing, we will cover hot topics including Presidential Temporary Flight Restrictions (VIP TFRs), local airfield procedures, best practices for mitigating runway incursion risks and new airport projects. Bring your questions to this "must attend" safety seminar!

Directions: See Map Link

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
